## After School Foreign Language class

# Mandarin Chinese

Learning a second language opens up a world of possibilities. With Lango, your child will learn Mandarin as a small group in 45 minute immersion class. Students will follow the adventures of the "Lango Kids", our multicultural cast of characters who appear in our original workbooks and other learning materials. Our dynamic and native speaking teachers will immerse students in the Mandarin language using a combination of stories, games, music, and art projects. Lango students quickly begin to understand the new language and later learn to speak it free of pronunciation error and with a clean, clear accent. Studies have shown that children who learn a second language are more creative, better problem solvers, and do better on standardized tests. Kids enjoy the Lango program so much they forget how much they are learning!

Grades: 1-5

When: Monday's 3:45-4:30pm

Instructor: Huey Fu

Class Dates: Sept 19, 26, Oct 3, 10, 24, 31, Nov, 7, 14, 28, 5, 12
