

## Morning Bus Transportation

### Servicing Deer Valley, Park Meadows and Blue Roof areas

---

PCDS is pleased to be able to provide this convenience for our families if, as anticipated, a *minimum* of ten students sign up to participate. At least two students must sign up for each of the pick-up locations listed below to justify each stop. Those interested in morning transportation from another potential pick-up location are encouraged to contact the Front Desk, in case there is sufficient interest to add additional pick-up location. Cost for the year's morning pickup will be **\$500 per student**. If sufficient numbers enroll by August 8, we will begin the **Bus Pick-Up Program Tuesday, August 23 for our first day of school**.
